

## PRESS RELEASE

CIRCLE Connecting EU: *Connecting EU Insights* is back from 14 to 16 December

After the success of the first two editions, the 3 day virtual event dedicated to the shipping industry and its transition towards the Green New Deal is back again this year

The events will be held both in live streaming and in the presence in Brussels

*Genoa, November 5<sup>th</sup>, 2021*

After the success of the last edition - which saw the participation of 43 speakers, 12 hours of live streaming and more than 1.000 people registered for the event- ***Connecting EU Insights***, the full digital 3 day event organised by **Circle Connecting EU** dedicated to the shipping industry and its transition towards the Green New Deal and related challenges is back again from 14 to 16 December.

Among the main themes, the challenges of energy transition for port "energy hubs" and logistics; the opportunities offered by connected and automated multimodality for the development of an efficient and sustainable transport; Internet of Things; Artificial Intelligence and Automation for port operations and Customs simplification; European Technological Platforms strategic roadmaps towards "Zero Emissions" target; the perspective of ports on decarbonisation with Docks the Future Network of Excellence.

The events will be held both in live streaming and in the presence in **Brussels**.
