

PRESS RELEASE

Circle Group and Cargo Start unveil groundbreaking digital solutions for transport & air cargo at Munich's Transport Logistic event

Milan, May 20, 2025

CIRCLE S.p.A. ("**CIRCLE**" o la "**Company**") - Innovative SME **listed on the Euronext Growth Milan market** at the head of the Group of the same name specializing in process analysis and the development of solutions for the digitalization of the port and intermodal logistics sector and in international consultancy on the Green Deal and energy transition issues – is proud to announce the participation of the **Group** and **Cargo Start** in the upcoming **Transport Logistic** event that will take place from **2 to 5 June 2025 in Munich**. In a dual showcase that reflects its comprehensive digital expertise, the two companies will present their innovative **suite of digital solutions**—built on the principles of interoperability—optimizing traditional transport operations and global supply chain integration. This initiative underscores their commitment to create seamless, interconnected digital ecosystems that effectively address the evolving demands of today's logistics market.

At its dedicated booth, **Circle Group** will present state-of-the-art **digital applications** that ensure efficient data exchange and coordinated operations across the entire transport and logistics chain. Simultaneously, **Cargo Start**—an industry leader in digital air cargo solutions with over 30 years of legacy in air cargo digital transformation - proudly presents **its innovative solutions** with a dedicated presence at the **Air Cargo Pavilion of SEA Aeroporti di Milano**. Cargo Start is contributing to redefine air cargo logistics with proven, data-backed solutions, including **Cargo Gate** platform, **StarTracking** shipment full-visibility platform, and the **Airport Cargo Community System – ACS** platform, dedicated to the interoperability of the airport ecosystem.

"Our presence at the Munich event underscores our belief in the transformative power of digital integration and interoperability," stated **Luca Abatello, CEO of Circle Group**. *"By combining our innovative, interoperable digital solutions with Cargo Start's pioneering approach to air cargo digitalization, we are contributing to establish new standards in efficiency, sustainability, and operational excellence, as outlined in our industrial plan **"Connect 4 Agile Growth"**."*

Concerning this strategic initiative, **Emanuele Vurchio, General Manager of Cargo Start**, added: *“Our participation highlights our dedication to redefine air cargo logistics. Our cutting-edge digital platforms not only streamline operations and enhance traceability but also foster a more sustainable and connected ecosystem. We are excited to join forces with leading industry players in Munich to showcase how our combined digital innovations drive tangible improvements across both air freight and traditional transport sectors.”*

Circle Group and Cargo Start invite industry professionals, partners, and stakeholders to visit their booths during the **event**:

- **Circle Group: Milano Malpensa Cargo Hall B3, Booth 401.**
- **Cargo Start: Milano Malpensa Cargo Hall A2, Booth 606**

Attendees will have the opportunity to **explore interoperable digital tools** designed to meet evolving market demands, engage with specialized experts, and discover how these innovative solutions are paving the way for a new era in multimodal logistics and air cargo operations.

Cargo Start

*Founded in 2020, **Cargo Start** is an Italy-based startup dedicated to empowering SMEs in the air cargo industry with **innovative, cost-effective digital solutions** that enhance **Connectivity, Visibility, and Sustainability**. As part of the CIRCLE SpA group since 2022, Cargo Start has been at the forefront of digital transformation in the air cargo industry.*

*The company's Cargo Community System, **CARGO GATE**, has digitalized over 90% of Italy's air cargo players, significantly **improving the efficiency, traceability, and sustainability of the entire airport ecosystem**. Cargo Start's team brings extensive expertise from leading international airlines and actively participates in several **IATA working groups**.*

*As the official tech partner of **ANAMA** (Italian Association of Air Freight Forwarders) and **SEA Milan Airports**, Cargo Start collaborates with industry associations to promote digital transformation and standardization. The company's commitment to creating and developing **digital solutions that comply with national and international industry standards** underscores its ability to deliver innovative solutions that meet global market demands.*

Founded in Genoa in 2012, **Circle S.p.A.** is the Innovative SME at the head of the [CIRCLE Group](#), the Group specialising in the analysis and development of products for the **innovation and digitalisation of the port and intermodal logistics sectors and in international consultancy on Green Deal and energy transition issues.**

The Group includes the software houses **Info.era**, **NEXT Freight**, **Cargo Start**, **eXyond S.r.l.**, **Circle Garage**, the consulting companies **Magellan Circle** and **Magellan Circle Italy**, **NEXT Customs**, as well as the subsidiaries **ACCUDIRE**.

The main products are the different **Milos®** suites for various targets, the **Extended Port Community System**, the **MasterSPED®** and **Milos® Global Supply Chain Visibility** solutions for shipping, logistics, trade and industry, respectively, as well as **StarTracking®**, an airport-to-airport tracking solution. Completing the Supply Chain offering are '**Federative Services**', offered in cloud mode, which can make customers' migration to a digital business model more efficient.

In the Circle Group's sphere of innovation activities, **Milos® Intelligence** offers a series of advanced solutions that exploit AI technologies for optimisation, simulation and the Digital Twin to support the transformation of decision-making processes by promoting the digitalisation of systems.

Through **Magellan Circle** and **Magellan Circle Italy**, the Group operates in the field of advocacy at European institutions, working alongside public bodies and companies, identifying their positioning at European level (**Strategic Communication and Advocacy**) and funding opportunities (**Eu Funding Accelerator**), with a vertical focus on Green Deal and energy transition issues.

With the acquisition of **Cargo Start**, a company specialised in the development and sale of innovative technological products and services for air cargo, Circle has also strengthened its offer in a rapidly expanding and strategic segment with respect to the **Connect 4 Agile Growth** industrial plan.

Through its subsidiary **eXyond** (92%), is active in offering advanced Gate Automation solutions for port and intermodal nodes, in advanced traffic monitoring and management services on the Italian road and motorway network (**Infomobility**), and in the provision of telematic services (**Truck**), based on proprietary technology platforms, to companies operating in the logistics, transport and insurance sectors.

Circle also owns 21% of the share capital of **ACCUDIRE**, an innovative startup from Verona that provides a **Collaborative Digital Platform** capable of helping players along the global supply chain in the exchange of information and the management of document flows, starting with the **e-CMR** (or electronic waybill) and e-DDT.

Finally, through **NEXT Customs**, active in customs optimisation digital services and functional to the continuation of initiatives aimed at the harmonisation of customs processes, Circle has entered a strongly strategic sphere for the evolution of the **Connect 4 Agile Growth** path.

Circle S.p.A. has been listed on the Euronext Growth Milan market of Borsa Italiana since October 26, 2018 (alphanumeric code: CIRC; ISIN code ordinary shares: IT. 0005344996).
