

## **PRESS RELEASE**

**Circle GROUP signs a new EUR 100,000 contract for the management of PCS services at a Mediterranean Port supporting the evolution of port and intermodal logistics.**

*Milan, June 4, 2025*

**Circle S.p.A.** (“CIRCLE” or the “Company”) - an Innovative SME listed on the Euronext Growth Milan market, heading the Group specialized in the process analysis and the development of solutions for the digitalization of the port and intermodal logistics sectors, as well as in the international consultancy on Green Deal and energy transition topics – announces the signing of a new contract for the maintenance of Port Community System (“PCS”) at a major Mediterranean port.

The contract, worth about **EUR 100,000** and lasting about **12 months**, involves the **management of the PCS services platform**, an advanced digital solution developed to support the evolution of port and intermodal logistics. Among other benefits, the platform offers fully **digitalised management of the movement of goods and vehicles** - by ship, train or truck - ensuring traceability, operational efficiency and **compliance with national and international customs and security regulations**.

In addition, thanks to its **“single window” approach**, the platform simplifies port access procedures, automates administrative flows and enables the generation of digital declarations for all port community actors. PCS services **integrate international systems and standards**, offering interoperability and the possibility of both aggregated and detailed statistical analysis.

*‘This new contract confirms the strategic value of the solutions proposed by our Group for the digitalisation of Mediterranean ports, in line with the **“Connect 4 Agile Growth”** industrial plan,’ said Luca Abatello, CEO of CIRCLE Group. ‘PCS services are increasingly proving to be a flexible platform suitable for complex contexts, capable of responding concretely to the needs for interoperability, efficiency and transparency in the port and intermodal supply chain.’*

With this new supply, CIRCLE Group confirms the increasing deployment of its technology solutions for the digitalisation of Mediterranean ports and strengthens its position as a strategic partner in the digital transition of the port-logistics sector.
