

PRESS RELEASE

CIRCLE GROUP completed the digital project for the optimization of an inland terminal in Northern Italy with the delivery of the MILOS® MTO & TOS platform dedicated to intermodal and rail management

Milan, July, 29, 2025

Circle S.p.A. (“CIRCLE” or the “Company”) - an Innovative SME **listed on the Euronext Growth Milan market**, heading the Group specialized in the process analysis and the development of solutions for the digitalization of the port and intermodal logistics sectors, as well as in the international consultancy on Green Deal and energy transition topics – announces the completion of the project for the **supply of the MILOS® MTO & TOS platform** to a logistics operator active in the intermodal rail sector.

The objective of the project — **to digitalize and optimize logistics and terminal activities** through a modular approach to **ensure interoperability with the information systems** of both the client and stakeholders — spans a five-year duration and involved the implementation of **specific modules from the MILOS® MTO & MILOS® TOS platforms** to manage various activities: rail and road operations (including train scheduling, truck management, and intermodal operations), documentation and commercial orders, yard and gate operations, and operational monitoring, reporting, and administrative functions related to invoicing.

In line with CIRCLE’s strategic approach, the project integrated **IoT functionalities, gate automation components, ERP system interoperability, and federative services from the MILOS® MTO and MILOS® TOS platforms**, contributing to improved operational efficiency and environmental sustainability.

*“This project perfectly aligns with CIRCLE Group’s growth path, strengthening our presence in the inland terminal segment and confirming the robustness of our technological offering, as well as our commitment to the digital evolution of intermodal logistics hubs. Initiatives like this directly support business development by enhancing our distinctive competencies and aligning with the objectives of the **Connect 4 Agile Growth** industrial plan,”* stated **Luca Abatello, CEO of Circle Group.**

*Founded in Genoa in 2012, **Circle S.p.A.** is the Innovative SME at the head of the CIRCLE Group, the Group specialising in the analysis and development of products for the **innovation and digitalisation of the port***

and intermodal logistics sectors and in international consultancy on Green Deal and energy transition issues.

The Group includes the software houses **Info.era**, **NEXT Freight**, **Cargo Start**, **eXyond**, **Circle Garage**, the consulting companies **Magellan Circle** and **Magellan Circle Italy**, **NEXT Customs**, as well as the subsidiaries **ACCUDIRE**.

The main products are the different **Milos®** suites for various targets, the **Extended Port Community System**, the **MasterSPED®** and **Milos® Global Supply Chain Visibility** solutions for shipping, logistics, trade and industry, respectively, as well as **StarTracking®**, an airport-to-airport tracking solution. Completing the Supply Chain offering are '**Federative Services**', offered in cloud mode, which can make customers' migration to a digital business model more efficient.

In the Circle Group's sphere of innovation activities, **Milos® Intelligence** offers a series of advanced solutions that exploit AI technologies for optimisation, simulation and the Digital Twin to support the transformation of decision-making processes by promoting the digitalisation of systems.

Through **Magellan Circle** and **Magellan Circle Italy**, the Group operates in the field of advocacy at European institutions, working alongside public bodies and companies, identifying their positioning at European level (**Strategic Communication and Advocacy**) and funding opportunities (**Eu Funding Accelerator**), with a vertical focus on Green Deal and energy transition issues.

With the acquisition of **Cargo Start**, a company specialised in the development and sale of innovative technological products and services for air cargo, Circle has also strengthened its offer in a rapidly expanding and strategic segment with respect to the **Connect 4 Agile Growth** industrial path.

Through its subsidiary **eXyond** (92%), is active in offering advanced Gate Automation solutions for port and intermodal nodes, in advanced traffic monitoring and management services on the Italian road and motorway network (**Infomobility**), and in the provision of telematic services (**Truck**), based on proprietary technology platforms, to companies operating in the logistics, transport and insurance sectors.

Circle also owns 21% of the share capital of **ACCUDIRE**, an innovative startup from Verona that provides a **Collaborative Digital Platform** capable of helping players along the global supply chain in the exchange of information and the management of document flows, starting with the **e-CMR** (or electronic waybill) and **e-DDT**.

Finally, through **NEXT Customs**, active in customs optimisation digital services and functional to the continuation of initiatives aimed at the harmonisation of customs processes, Circle has entered a strongly strategic sphere for the evolution of the **Connect 4 Agile Growth** path.

Circle S.p.A. has been listed on the Euronext Growth Milan market of Borsa Italiana since October 26, 2018 (alphanumeric code: **CIRC**; ISIN code ordinary shares: **IT. 0005344996**).
